Part 1: Vocabulary

💡 Vocabulary tip: read the whole sentence and ask which word fits the meaning.

1. Heavy snow falling on the roof of the old wooden shed caused it to ____ suddenly under the weight.

A alter
B collapse ✓
C hazard
D substantial

Why: «collapse» means to fall down suddenly.

2. An icy patch on the front steps of the school is a dangerous ____ that could cause someone to slip and hurt themselves.

A hazard ✓
B destruction
C crisis
D alter

Why: «hazard» means a danger.

3. The mountain weather was so ____ that it changed from warm, bright sunshine to cold rain in less than ten minutes!

A severe
B substantial
C unpredictable ✓
D alter

Why: «unpredictable» means changing without warning; impossible to know what will happen.

4. When the city's main water pipe broke during the winter storm, the town faced an urgent water ____.

A hazard
B crisis ✓
C substantial
D unpredictable

Why: «crisis» means a very serious or dangerous situation.

5. The powerful storm caused wide ____ across the town, knocking down tree branches, street signs, and fences.

A destruction ✓
B alter
C collapse
D hazard

Why: «destruction» means great damage; breaking things apart.

6. Construction workers had to ____ their daily schedule because of heavy morning rain.

A collapse
B alter ✓
C severe
D destruction

Why: «alter» means to change.

A unpredictable
B hazard
C severe ✓
D alter

Why: «severe» means very strong or serious.

8. Thanks to the hard work of the fourth-grade class, a ____ amount of recycled paper was collected for the school drive.

A substantial ✓
B hazard
C collapse
D severe

Why: «substantial» means large; a big amount.

9. Which word is a synonym (means nearly the same thing) for hazard?

A Safety
B Danger ✓
C Comfort
D Pattern

Why: «Hazard» means danger, so «Danger» is the synonym.

10. Read the sentence: "To help protect against beach erosion, people build structures that block ocean waves." What does the word block mean in this sentence?

A A solid square piece of wood
B To stop or prevent from passing ✓
C A row of houses on a street
D To build something out of plastic bricks

Why: Here «block» is a verb: the structures stop the waves from passing.

Part 2: Sentences and Fragments

💡 Rule: a sentence has a subject and a verb and shows a complete thought. A fragment is only a piece of a sentence.

11. Which group of words is a complete sentence?

A There are many stars in the sky. ✓
B Brought it into the kitchen.
C My classroom at school.
D Laughing loudly at the joke.

Why: «There are many stars in the sky.» has a subject (stars) and a verb (are) and makes complete sense.

12. Which group of words is a sentence fragment?

A I can jump very high.
B The student was late.
C I think we won!
D My classroom at school. ✓

Why: «My classroom at school.» has no verb and does not tell a complete thought.

13. A sentence is a group of words that shows ____.

A a capital letter
B a complete thought ✓
C a question mark
D a rhyme

Why: A sentence must show a complete thought.

14. "Drove the car." is a ____.

A statement
B question
C sentence fragment ✓
D exclamation

Why: «Drove the car.» has no subject (who drove?), so it is a fragment.

15. Every sentence begins with a ____ and ends with a punctuation mark.

A capital letter ✓
B small letter
C number
D picture

Why: Sentences start with a capital letter and end with a punctuation mark.

16. Which group of words is a sentence?

A Laughing loudly at the joke.
B Did you see the rabbit? ✓
C Brought it into the kitchen.
D My classroom at school.

Why: «Did you see the rabbit?» is a complete question with a subject and a verb.

17. Which group of words is a fragment?

A Do you want to play a game?
B I think we won!
C Brought it into the kitchen. ✓
D The student was late.

Why: «Brought it into the kitchen.» has no subject, so it is a fragment.

18. Which group of words is NOT a sentence?

A The cat played with string.
B The pencils are sharpened.
C I can jump very high.
D Drove the car. ✓

Why: «Drove the car.» has no subject, so it is not a sentence.

19. Why is "Laughing loudly at the joke." a fragment?

A It does not show a complete thought. ✓
B It has no capital letter.
C It has no period.
D It is a question.

Why: A fragment is missing a complete thought (who is laughing?).

20. Which group of words shows a complete thought?

A In the sky.
B Played with string.
C The cat played with string. ✓
D The cat with string.

Why: «The cat played with string.» has a subject (cat) and a verb (played).
